To maintain fairness in the registration, we adhere to the following procedures:

1. Participation in Friends of the Museum activities is intended for members only.
2. Registration is done using the following email address only:

3. Registration is based on "first come, first served" according to the order in which the emails are received.
4. The registration is valid only after receiving a confirmation of registration in a return email.
5. Priority will be given to Gold Friends.
6. A member whose place has been confirmed will not change or give his/her place to another member.
7. On tours outside the museum, in Israel and abroad, it is possible for regular membership holders to add to the trip (provided that the main member is present on the trip), a member of the immediate family or another friend of the museum (terms for tours abroad).
